

We invite you to join the **Ovarian Cancer Community**

Our Ovarian Cancer Community group is a kind, supportive group for everyone affected by ovarian cancer, including friends and family. You'll find support to help you every step of the way.

Find support, strength and community from people who understand what you're going through.

Come together to experience our digital support events and explore the full collection at a time that suits you.

Learn more about the topics that interest you most: from side effects to complementary therapies, maintenance treatment or even travel insurance.

“ *I felt so lonely before. Everyone meant well but they didn't know how I felt. Now I have a network of people going through the same thing – it's such a relief.* **”**
